A DISCUSSION OF SUMMER/EXTENDED YEAR SERVICES

Presenters:

Director of Student Services/Accountability Robert Bellucci
Maureen Smith, Elementary Sp. Ed. Chair
Janine Glabicky, Upper Elementary/MS Sp. Ed. Chair
Kathy Harris, High School Sp. Ed. Chair

Join us for a discussion of the anticipated Summer/Extended Year Services for 2007.

Summers can be a busy time for families and parents have often asked for this information in order to make their plans. In addition, input from parents is being sought to improve our summer offerings. After this brief presentation, the presenters will be available to take questions regarding summer and/or other topics of interest to those present.

This is an opportunity for parents to ask general questions about special education in Marblehead, how the process works, who the appropriate person is to answer specific questions, etc. We encourage all parents of children with special needs to attend and participate.
